

2007 Plant Sale Ordering Information

PLANTS:

All plants are 1 to 2 year-old **bare-root seedlings** (no soil on the roots) ranging in size from 8" to 24". Plants are sold in **bundles of 10** of each species, except for pre-bundled packages.

Pre-Bundled Packages: This year we are offering 4 different pre-bundled packages of plants to help you choose the right plants for your objectives and save you money. We are offering 2 different wildlife bundles, one with plants suited to drier soils and one with plants suited to wetter soils. We are also offering a windbreak package and a hedgerow package; both packages will plant approximately 100 feet.

Refer to order form for plant number and species included in each pre-bundled package.

AVAILABILITY:

All plants are sold on a **first-come, first-served basis**. Plants are pre-ordered now for pick-up on March 3, 2007. Quantities are limited and many species sell out, so please order early. In the event that we cannot fill part or all of your order, a refund or plant substitution will be offered.
